

R E M A R K S

It is respectfully requested that the Examiner enter and consider Claims 1 to 6, 8, 9, 12 and 13 in the version set forth in Appendix I of this paper. Relative to the version presented with applicants' paper dated August 22, 2007, Claims 1 and 12 have been amended as indicated in the listing of the claims.

More specifically, applicants have amended Claims 1 and 12 to correct formula (III) on the basis of page 1, indicated lines 35 to 40, of the application. As such, the amendment does not add new matter. Favorable action by the Examiner is respectfully solicited.

Applicants and their representatives are grateful for the Examiner's efforts and greatly appreciate the Examiner's willingness to enter the claim corrections in spite of the status of the proceedings.
